

Huai Yai School Improvement Project

On February 23, 2018, Miss Onnicha Pakpises, Chairperson of NCSWT Regional Coordinating Committee together with Miss Wipha Chinda, Managing Director of Praxair Co. (Thailand) presided over the Voluntary Activity Day for Huai Yai School Improvement project for Huai Yai elementary school in Banglamong District, Chonburi province. They have presented a playground with equipment on safety rubber floor, school supplies, sports equipment, dining tables and chairs, and books for school library to Mrs. Nilubon Pradapporn, School Director. The event involved 150 volunteers from Praxair Co. and NCSWT staff in providing improvement services to improve the condition of classroom floor, school building with a new awing, and vegetable garden for lunch program.

Praxair volunteers also handed out 34 scholarships to students of low income families and together they entertained students with funs and games.
